

## Personal Protective Equipment in Southwest Michigan

Amidst the COVID-19 pandemic, personal protective equipment (PPE) has become the new normal for keeping employees and customers safe in all industries. To help suit up your team with confidence, we have sourced these regional suppliers that have PPE available for purchase.

We expect this list will continue to grow as teams return to work and need for PPE grows. Check back often, as we'll be continuously adding new vendors. We've got you covered.
