**Funding Goal:**

Award an average grant amount of \$5,000 which is approximately the same average as the previous similar state program (Michigan Small Business Relief Program/\$,5,555) and would allow for approximately 1,300 recipients.

Should fewer than 1,400 qualified applicants be received or fewer than required Minority, Women, Veteran qualified applicants, non-committed funds will be distributed by increasing awards in \$1,000 increments based on scoring criteria.
